

GOD SAID GO MISSIONS **FEATURED OPPORTUNITY**

Missionary Pharmacist - Guatemala

Live Life Sharing the Love of Christ Among the People of Guatemala Using Your Medical Talents

The Opportunity

Are you passionate to see people restored to wholeness – physically and spiritually? Do you want to use your pharmaceutical skills for His kingdom? GSG Missions currently has a need for a Pharmacist to manage our Guatemalan Pharmacy. We would love for you to join us in Guatemala.

The Pharmacist partners with our providers to provide clinical information about medications, dosing, and substitutions for the patients. You will be asked to consult as required. You will manage our main pharmacy and be responsible for ordering supplies in country or from the States and supplying the clinics around the country. You will have a supervisory role with the members of medical staff and non-medical staff that will help in the main pharmacy and clinic pharmacies.

Experience and Qualifications

You should have the necessary professional qualifications to work in your specialty. Guatemalan certification may be required.

You should have developed a biblical understanding of integrating your profession with ministry. Usually, we will expect you to have some Biblical, theological and cross-cultural training.

Spanish language and cross-cultural experience is a plus.

This is not a salaried position; you will need to trust the Lord for personal support.
